

# Cannot log into Duo Single Sign-On

This article will show you how to purge all saved settings to allow you to sign into NetSuite using the Duo Single Sign-On System (SSO)

When navigating to the below link to sign into NetSuite, you may encounter the below screen, asking to enter an Email and Password

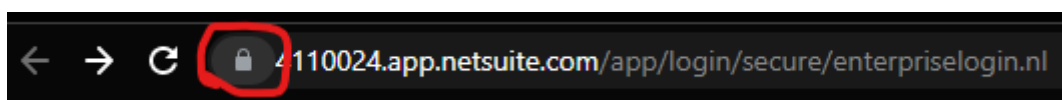

<https://4110024.app.netsuite.com/>

The image shows the Oracle NetSuite login interface. At the top, there is a dark header with the text "ORACLE NETSUITE". The main content area is light gray and contains a white login box. Inside the box, the text "Log In" is followed by "ORACLE NETSUITE". Below this, it says "Oracle NetSuite Login". There are two input fields: "Email address" and "Password". Below the password field is a checkbox labeled "Remember Me". An orange "Log In" button is positioned below the checkbox. At the bottom of the login box, there is a link "Forgot your password?". Below the login box, there is a small line of text: "By clicking on the Log In button, you understand and agree to Oracle Terms of Use and Oracle Privacy Policy". At the very bottom of the page, there is a dark footer with the text "© Oracle | Oracle Terms of Use for NetSuite Support Portal | Oracle Privacy Policy".

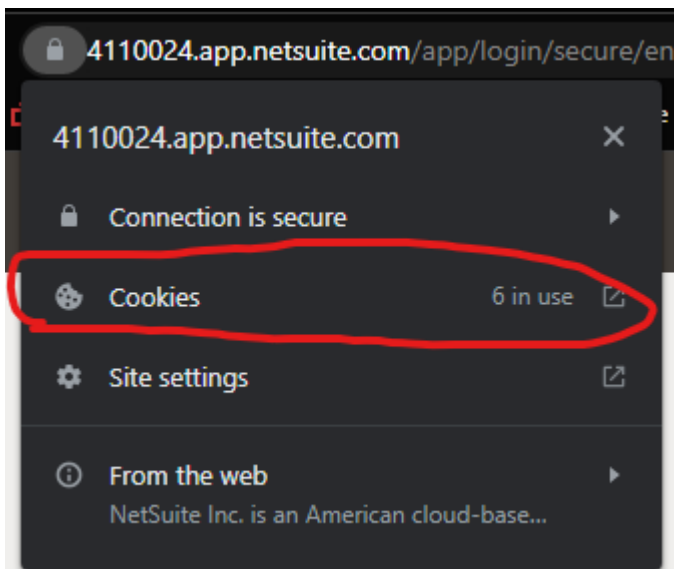

This login is only for Administrators of NetSuite to login.

To get to the Duo Single Sign-On prompt, do the following,

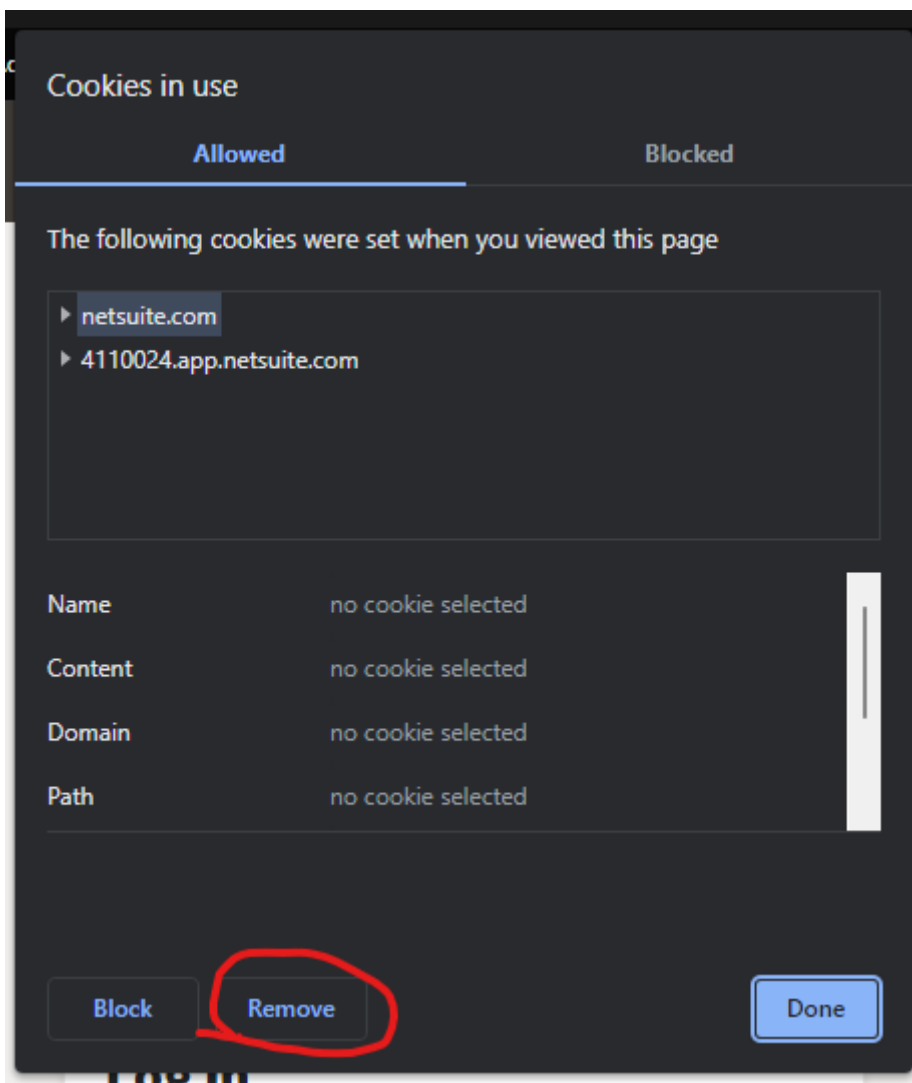

Click the Padlock up in the top left hand corner of the address bar

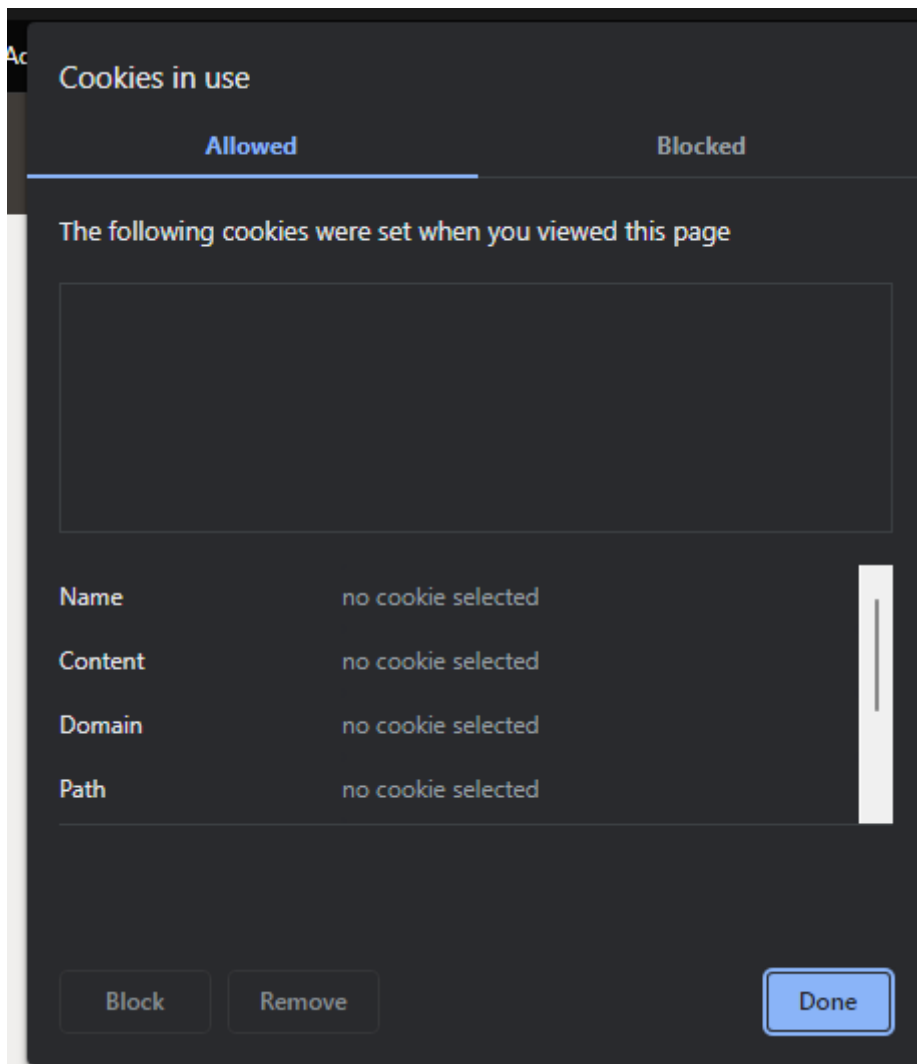

Select Cookies

Utilising the Remove button, remove all cookies sitting on the NetSuite site.

Once completed, the dialog box should look like this

Press done, and navigate to <https://4110024.app.netsuite.com/>

You should now be presented with the Duo Single Sign-On prompt. This is where you will need to enter your PBR email and Computer password.

## Check for a Duo Push

Verify it's you by approving the notification...

Sent to "iOS" (+... .. 897)
