# Opening OneDrive in a Web Browser

## Step-by-step guide

1. Go to <https://onedrive.live.com/about/en-us/signin/>
2. Sign in with your PBR email and password.

The screenshot shows the Microsoft sign-in page for OneDrive. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed. A text input field contains the email address "chris.marrows@pbr.org.au". Below the input field is a horizontal line. Underneath the line, the text "No account? [Create one!](#)" is visible. At the bottom right of the form is a blue button labeled "Next".

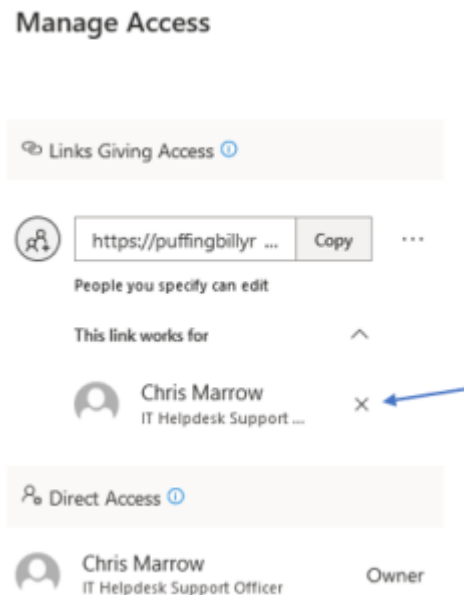

# Removing Access to a File (Web)

## Step-by-step guide

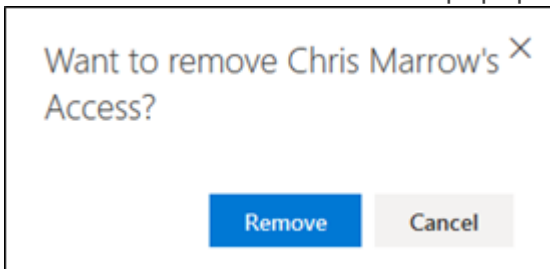

1. Select the file and click on the **Shared** button.

2. The manage access window will appear. Click on the **X** to remove the user's access.

3. You will receive a confirmation popup. Press on **Remove**.

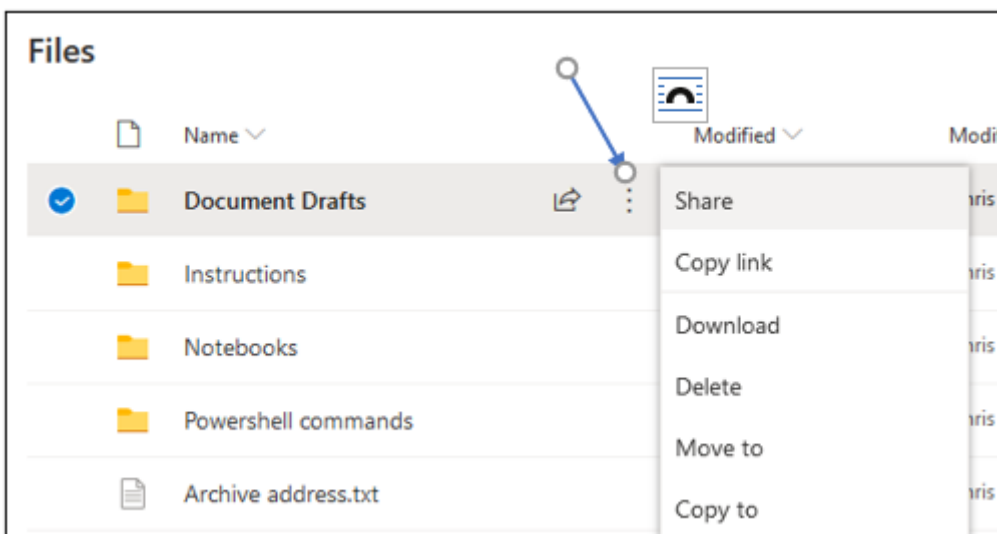

# Sharing Folders & Files With a User (Web)

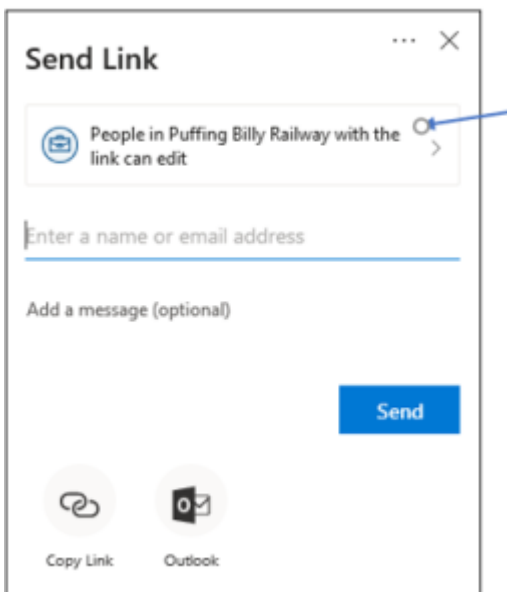

## Step-by-step guide

1. Select the folder or file you want to share, then click on the **three dots** to bring up a menu and then select **Share**.

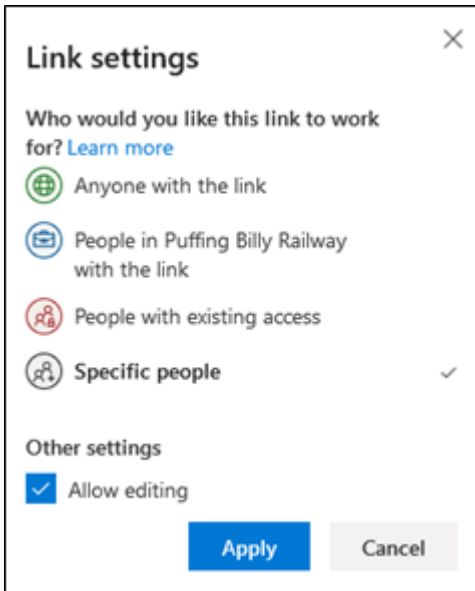

If you share a folder it will share all folders and files within that folder. You will need to do each folder or file individually if you only want certain items to be shared.

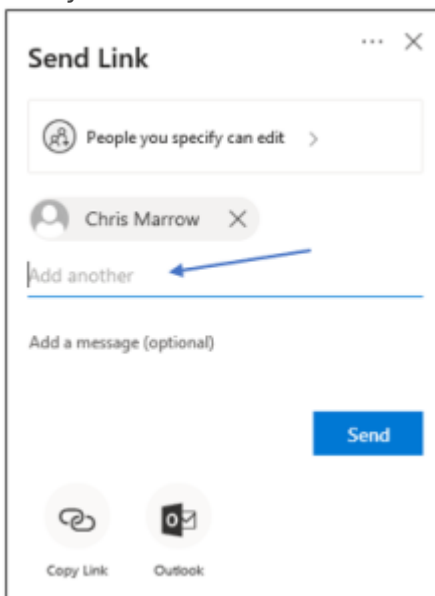

2. A window will pop up. Click on the button to edit who can view and edit the document.

3. Select specific people and allow editing so only certain people can view the file and edit it. Click Apply.

4. Enter in the user's email address. Add more user's if needed. Click **Send** when you're ready.

5. The user will receive an email with the link to the file. The folder or file will also now display that it is shared in OneDrive.
