

Add a Shared Mailbox in the Outlook App

Use the below steps to add a shared mailbox to your Outlook using the Android or iPhone Outlook app.

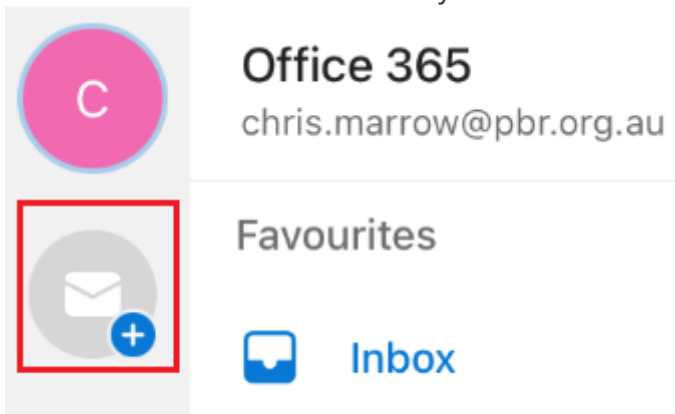

You must have access to the shared in order for it to be added.

Step-by-step guide

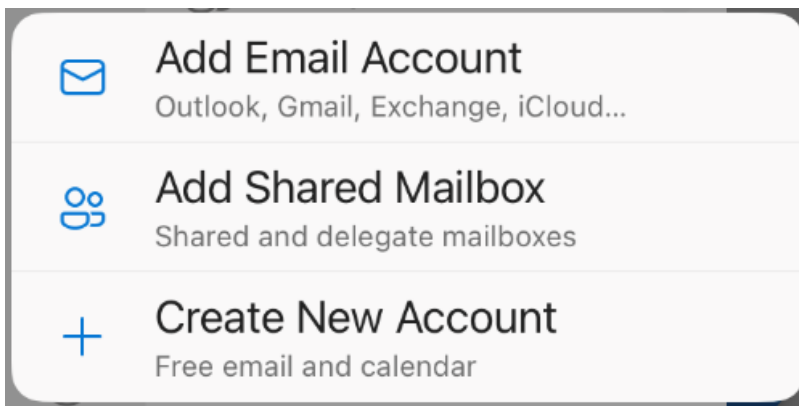

1. Open the Outlook app.
2. Click on your **initial** in the top left hand corner.

3. Click on the **Mail+** icon under your initial in the left hand menu.

4. A new menu will appear. Click on **Add Shared Mailbox**.

5. Enter in the name of the shared mailbox and click on the button **Add Shared Mailbox**.

 **Add Shared Mailbox**
chris.marrow@pbr.org.au

Enter the shared or delegate email

it@pbr.org.au

Add Shared Mailbox

6. The new mailbox will be added. You can switch to it by click on the **initial**.
