

Custom Linc Password Change

This article will show you how to change your password in Custom Linc

1. Open Custom Linc. At the top right, hit the drop-down arrow and select "Change Password".

2. Enter your old password, followed by your new password.

A screenshot of the 'Change Password' dialog box. The dialog has a title bar that says 'Change Password'. Inside, there are three input fields: 'Old Password', 'New Password', and 'Confirm Password'. The 'New Password' field has a question mark icon to its right. At the bottom of the dialog, there are two buttons: 'OK' and 'Cancel'.
