

How to: Change your password

1. Go to <https://whosoncall.cloud/>
2. Enter your provided username and password. If unsure, please contact your Team Leader or IT Helpdesk.

The screenshot shows the iMETRO Who's on Call login interface. It features the iMETRO logo on the left and the text 'Who's on Call' on the right. Below the logo, there are two input fields: 'Username' and 'Password'. At the bottom of the form, there are two buttons: 'Login' and 'Reset Password'.

3. Click on the manage users' icon,

The screenshot shows the iMETRO Who's on Call dashboard. The top navigation bar includes the iMETRO logo and the text 'Who's on Call'. Below the navigation bar, there are two main sections: 'Puffing Billy Railway' and 'Manage Landing Points'. To the right of these sections, there are four icons: a red arrow pointing right, a person icon, a telephone icon, and a speedometer icon. Below the navigation bar, there is a table with the following columns: 'Landing Point Name', 'Landing Point Group Name', 'Username', 'Password', and 'Extension'.

4. Change your password in the password field and click save.

Puffing Billy Railway
